ABOUT US

AVENIX COMPANY LIMITED provides professional solutions in real estate and land-related services. We seek to make land and property transactions, planning and development processes more structured, informed and efficient.

Our work is guided by the principle that good land decisions begin with reliable information, proper planning, appropriate technical support and transparent communication. We therefore aim to connect clients with the right information and services at each stage of their land or property journey.

VISION

To become a trusted and leading provider of integrated real estate and land solutions in Tanzania.

MISSION

To deliver reliable, professional and innovative land and real estate solutions that create measurable value for clients, investors, property owners and communities.

CORE VALUES

- **Integrity** -honesty, transparency and accountability.
- **Professionalism** - high standards in service delivery.
- **Client Focus** - understanding and responding to client needs.
- **Innovation** -embracing modern technology and practical solutions.
- **Quality** — accurate, dependable and fit-for-purpose outputs.
- **Responsibility** — encouraging lawful, planned and sustainable land use.

OUR INTEGRATED APPROACH

IDENTIFY → VERIFY → PLAN → SURVEY → DEVELOP → MARKET

- Identify the opportunity and client objective.
- Verify available land and property information.
- Plan the appropriate land use or development direction.
- Map and document spatial information using appropriate technology.
- Support development and investment decisions.
- Market or position the property for its intended purpose.

TARGET CLIENTS

- Individual land and property owners
- Property investors

- Real estate developers
- Companies and corporate investors
- Institutions and organizations
- Property buyers and sellers
- Agricultural and land-based investors
- Development partners and project stakeholders

TARGET LOCATIONS

AVENIX targets opportunities across Tanzania, with attention to urban growth corridors, emerging residential areas, commercial centres, investment zones and locations experiencing infrastructure-led development.

Priority markets may include Dodoma, Dar es Salaam, Arusha, Mwanza and other strategic locations, subject to project requirements.

WHY AVENIX?

Integrated Expertise

Land, property, planning, surveying and GIS capabilities can be coordinated within one service model.

Information-Led Decisions

We emphasize reliable property and spatial information to support better decisions.

Professional Client Care

We prioritize clear communication, responsiveness and practical guidance.

Technology & Mapping

Spatial technology improves understanding of location, boundaries and development context.

Investment Perspective

We consider location, development potential and long-term value.

Integrity

We build relationships through transparency, responsible practice and accountability.

BRAND IDENTITY

AVENIX should present a modern, premium and trustworthy corporate identity.

- Deep / Royal Blue -primary colour representing trust, stability and professionalism.
